

MN HIPATH AI Timeline for Indemnity Funds Release

An approved VS Form 1-23 and approved Flock Plan with all required signatures are required to release indemnity funds.

Always give estimated times to producers.

If all paperwork is correct and appropriately submitted and there is an EFT account in place, it will take

- One day to process into EMRS
- One day for finance to complete additional forms required for payment
- One day to submit to Minneapolis for payment.
- One day (typically) for Minneapolis to processes provided there are no problems with EFT.
- 5-10 days from then they should receive payment.

Total time from above: 10 to 14 business days
